

MRS. KATE GILBERT
Phone 1149

Mr. W. R. Roberts is out again after a lengthy siege of malaria.

The Fernside Review Club will meet Wednesday afternoon at the home of Mrs. F. E. Watson.

The Ladies' Aid of the Christian church will meet Tuesday afternoon with Mrs. C. M. Head, 789 West Main street.

Mrs. Tom Graham and Mrs. L. L. Blake went to Marietta yesterday for a short visit with Mrs. Blake's son, Mr. Ed Blake.

Miss Leona Tanner has gone to Me Alister to be with her sister, Miss Maggie Tanner, who graduates from high school there this week.

The Philharmonic Club will meet on Wednesday afternoon with Miss Floy Alvia. All the members are urged to be present.

Mr. and Mrs. Harry Harbor have been called to Oklahoma City on account of the illness of Mr. Harbor's mother, Mrs. Sarah Harbor.

The parents post card which was to have been given this evening by the Carter Avenue M. E. church, has been postponed for one week on account of the school exercises this week.

Mrs. Joseph Weiss has gone back to her home after being confined at the home of her sister, Mrs. Leon Kahn, for some time with a broken ankle.

Miss Dorothy Teister has returned to her home in Denver, Colo., as a lengthy visit with her cousin, Mrs. Lennie Miller, 429 C street, northwest.

The ladies of St. Philip's Guild will meet Tuesday afternoon promptly at two o'clock in order to make arrangements for the delegates to the convocation which will commence on Tuesday, May 23.

One of the most pleasant events of the week was the meeting of the Pleasant Hour Club, which took place at the home of Mrs. J. R. Pulliam Saturday. A pathetic feature of the afternoon was the presentation of a little love token to Mrs. T. K. Kearney, who has served for two years as president of the club, and will leave this week for Memphis, Tenn., where she will reside in future. This presentation was made by Mrs. Robert Gilliam in a very unique and original poem. After the usual hour of needlework a lovely two-course luncheon was served. Besides the club members, Messrs. A. C. Cruce, of Oklahoma City, McClain Rogers of Clinton, Okla., Lucian Hoard, M. L. Alexander, C. O. Bunn, and Berkshire were present.

Joys of solitude have nothing in common with a lone dollar bill.

A THOROUGH TEST

One to Convince the Most Skeptical Ardmore Reader.

The test of time is the test that counts.

Doan's Kidney Pills have made their reputation by effective action. The following case is typical. Ardmore residents should be convinced.

The testimony is confirmed—the proof complete.

Testimony like this cannot be ignored.

Mrs. T. J. Wilkes, 233 C St., N. W., Ardmore, says: "One of the family used Doan's Kidney Pills with excellent results. They removed a dull, throbbing pain from the back and corrected the irregular action of the kidneys."

Continued Confidence.

Over four years later, Mrs. Wilkes said: "All I said in my former public endorsement of Doan's Kidney Pills still holds good. Doan's Kidney Pills are a fine medicine for relieving lumbago and irregular action of the kidneys."

Price 50c., at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Wilkes has found publicly recommended. Foster-Milburn Co., Proprietors, Buffalo, N. Y.

PLAN FOR ONE HOUR MORE DAYLIGHT IN KANSAS CITY

Kansas City, Mo., May 22.—The movement for an hour more of daylight each day, to be gained by turning ahead one hour the hands of the clock, has been started in Kansas City. The plan was first broached to the local public a short time ago, and, according to statements by prominent business men and corporation heads, and others here, the proposed change has met with approval.

Not only is the scheme being generally endorsed locally but sentiment from towns in Missouri and Kansas within a radius of two hundred miles have been generally favorable and should the change be made here it is assumed the plan will be taken up by all the cities in Kansas City's trade territory.

What really is accomplished by the change is to place the start of the working day one hour nearer sunrise with the subsequent result of an additional hour of daylight for recreation at the end of the day. A person who now arises at 6 o'clock in the morning will, under the new time, still arise at 6 o'clock by the clock, but in reality will be out of bed an hour earlier than formerly. There are several obstacles in the way of the proposed change, the greatest probably being the difference between railroad time and what would be "Kansas City" time. However, this apparent difficulty has been overcome successfully in other cities where the clocks have been turned ahead and it is said no trouble is expected here from that score.

The plan primarily is for use in

the summer months but several cities where the system has been installed are loath to revert to the old system, preferring to lengthen the otherwise short winter evening into a serviceable time for recreation and outdoor exercise.

Several of the merchant associations here have informally discussed the project with favor, and it has been suggested that the matter be placed in the hands of the city council where an ordinance can be passed making the new time the official time of Kansas City.

Cotton-Seed Bags Expensive.

Washington, D. C., May 22.—The expense and trouble of using bags in handling and marketing cotton seed outweigh any advantage bags may give in reducing the loss from careless handling of this crop, according to cottonseed specialists of the U. S. department of agriculture. They therefore recommend the use of bags only in special cases, as for planting seed, less than carload shipments, and for river transportation. In such cases the bags protect and facilitate handling. Careful studies, however, show that in handling cotton seed in large quantities the first cost of the bags, coupled with the fact that they deteriorate quickly and have to be kept in repair, makes them too expensive.

Shipping in bags involves an extra cost and labor in filling, emptying, and weighing, and makes accurate sampling more difficult. Time is lost in emptying seed from bags, as loose locks of cotton and burs tend to make the seed cling to the bagging. Thread from the mouth of the bag also often gets mixed with the seed, catches in the conveying and cleaning machinery, and causes choke-ups and delays.

RED CROSS STORY

Red Cross Ball Blue and what it will do seems like an old story, but it's true. Red Cross Ball Blue is all blue. No adulteration. Makes clothes whiter than snow. Use it next washday. All good grocers sell it.—Advt.

STATE FAIR ISSUES 1916 PREMIUM LIST

The forerunner of a big and prosperous state fair—the 1916 premium list, has been issued and is ready for distribution. All rules and regulations and premiums in the twenty-three departments of the tenth annual Oklahoma State Fair and Exposition, to be held September 23 to 30, are outlined. A copy may be secured free on request to I. S. Mahan, secretary, Oklahoma City.

New features this year are the cotton show, the milk and cream show and a model dairy house to be conducted by government and state dairy departments.

Many thousands of dollars are listed for premiums in the live stock classes. Two new clubs have been added to the boys' and girls' club contests, crop rotation and peanut. The "breeding phase" has been included in the boys' pig club, offering many prizes for breeding records.

Amusement features are more numerous than in previous years. Auto races for two days, harness and running races four years, football, bands, hippodrome show and the Jones Exposition Shows on the midway are mentioned. The spectacular "Last Days of Pompeii," a pantomime and

HOW MRS. BEAN MET THE CRISIS

Carried Safely Through Change of Life by Lydia E. Pinkham's Vegetable Compound.

Nashville, Tenn.—"When I was going through the Change of Life I had a tumor as large as a child's head. The doctor said it was three years coming and gave me medicine for it until I was called away from the city for some time. Of course I could not go to him then, so my sister-in-law told me that she thought

Lydia E. Pinkham's Vegetable Compound would cure it. It helped both the Change of Life and the tumor and when I got home I did not need the doctor. I took the Pinkham remedies until the tumor was gone, the doctor said, and I have not felt it since. I tell every one how I was cured. If this letter will help others you are welcome to use it."

—Mrs. E. H. BEAN, 525 Joseph Avenue, Nashville, Tenn.

Lydia E. Pinkham's Vegetable Compound, a pure remedy containing the extractive properties of good old fashioned roots and herbs, meets the needs of woman's system at this critical period of her life. Try it.

If there is any symptom in your case which puzzles you, write to the Lydia E. Pinkham Medicine Co., Lynn, Mass.

fireworks night spectacle, with three hundred people, will be produced each night, for the first time in Oklahoma.

RHEUMATIC PAIN STOPPED

The drawing of muscles, the soreness, stiffness and agonizing pain of rheumatism quickly yield to Sloan's Liniment. It stimulates circulation to the painful part. Just apply as directed to the sore spots. In a short time the pain gives way to a tingling sensation of comfort and warmth. Here's proof—"I have had wonderful relief since I used your Liniment on my knee. To think one application gave me relief. Sorry I haven't space to tell you the history. Thanking you for what your remedy has done for me."—James S. Ferguson, Philadelphia, Pa. Sloan's Liniment kills pain. 25c at Druggists.

TO PROVE AGES OF INDIANS

Bill in Congress Would Make Published Rolls Conclusive Evidence.

Washington, May 21.—A bill was introduced by Representative Hastings of Oklahoma making the published rolls of the Five Tribes available for proving ages of Indians in court. The act of May 27, 1908, makes the rolls conclusive as to the quantum of blood and makes the enrollment records held by the superintendent of the Five Tribes conclusive as to ages. The rolls were printed under an act of congress, bringing the ages of the enrolled members to a certain date, which differs as to tribes. If the age of an Indian is in dispute it is necessary to go to Muskogee to procure a certified copy of the enrollment record, but under the Hastings bill the printed roll would be made conclusive as to the age of the Indian at the time of enrollment, which gives the courts a basis for figuring.

MAY 22 IN HISTORY

- 1611—James I instituted the Order of Baronets and elevated 75 families to that dignity.
- 1734—Kouli Khan defeated the Turkish army in Persia.
- 1795—Mungo Park sailed from England for his first trip to Africa for the purpose of tracing the course of the Niger.
- 1798—Bonaparte and the French fleet sailed from Toulon. Nelson's fleet in a storm not many miles distant at the same time.
- 1809—Second battle of Essling; the French recross the Danube.
- 1844—First telegraph message sent by Prof. Morse.
- 1848—Constitutional army of Prussia met.
- 1862—Battle of Lewisburg, Va.
- 1863—Federals made desperate assault on Vicksburg, Miss.
- 1865—President Johnson proclaims the opening of southern ports.
- 1872—President of the United States signs amnesty, contemplating political reorganization of the country.
- 1905—More than 100 preachers marched to the mayor's office in Philadelphia and prayed for him to prevent gas lease.
- 1912—Col. Roosevelt's friends complete plans to fight for his nomination at Chicago.
- 1915—Many shippers in southwest protest to interstate commerce commission against railroad rates.

Why is it, anyway that the things we like to eat are not good for us, and the cats we loathe, are healthy and wholesome?

GOLDEN JUBILEE ENCAMPMENT OF ILLINOIS G. A. R.

Decatur, Ill., May 22.—Civil war veterans from all parts of the United States are arriving here today to attend the golden jubilee encampment of the Illinois Grand Army of the Republic which opens here tomorrow. This encampment marks the fiftieth anniversary of the founding of the G. A. R., and is particularly noteworthy because it is being held at the place of the organization's birth.

All the streets and buildings of Decatur have been decked with flags in honor of the veterans. In all, 10,000 visitors are expected here in the next few days. The feature of the encampment will be the grand parade which will be held Wednesday afternoon. Hundreds of school children and national guardsmen will participate. Commander John M. Snyder, Past Commander W. G. Cochran, Past Commander Robert Mann Woods and Past W. R. C. Commander Inez J. Bender will preside at the campfires.

Many surviving members of Post No. 1, which was organized in Decatur on April 3, 1865, will be here to attend the encampment. The surviving members are Henry Corman, Colorado Springs, Colo.; A. M. Lapham, Springfield, Mo.; D. A. Woodland, Arcola, Ill.; P. R. Williams, Quincy, Ill.; James F. Steele, Richard F. Jones, C. M. Imboden, W. F. Martin, P. L. Hays, N. M. Baker, Frederick Schwab, R. H. Johnson and T. J. Abel, all of Decatur, Ill.

A handsome bronze tablet will be unveiled by the woman's relief corps of Illinois only a few feet distant from the spot where Post 1 was organized.

Major Benjamin F. Stephenson of Springfield, Ill., is credited with having first conceived the plan and inaugurated the work of the G. A. R. He obtained for an assistant J. W. Routh, also of Springfield, and the two drew up a ritual. It was then found that not a single printer in Springfield had been a soldier. Upon learning that two Decatur printers, I. N. Coltrin and Joseph Prior, had served in the war, they went to Decatur and had them set the ritual into type. In return for this cooperation it was decided to found the organization in this city. The building in which the first meeting was held is yet standing in Decatur.

Following the founding of Post No. 1 at Decatur, posts were organized in nearly every city of prominence in the northern tier of states.

SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell."

I tried most every kind of medicine, but none did me any good.

I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it."

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlastingly tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.

Java— the Home of Coffee— Asks for Postum

Recently the Postum Cereal Co., Ltd., forwarded a fine shipment of Postum and Instant Postum to Old Java—the home of high-grade coffee plantations.

"There's a Reason"

People, the world over, are coming to understand that various ills, such as headache, nervousness, heart-flutter, insomnia, biliousness, and so on, are often due to the drug, caffeine, in coffee. And, learning, they are looking for a better beverage—a healthful drink.

The natural and logical choice is

POSTUM

This delightful table beverage is made of choice wheat, roasted with a small amount of wholesome molasses. It tastes somewhat like Old Gov't Java, but is entirely free from coffee or caffeine, or any harmful substance. Postum is a pure food-drink that makes for health, comfort and happiness.

Grocers everywhere sell POSTUM.
